Dear Governor Siegelman, Ladies and Gentlemen:

On behalf of the Commissioners of the Alabama Crime Victims Compensation Commission and this office, it is my honor to submit the Annual Report of the Alabama Crime Victims Compensation Commission for the period October 1, 2000, through September 30, 2001. The report comprises the areas of responsibility of the Commission, as well as special activities the Commission has endeavored to present and sustain each year.

This year, more than $5,000,000 was paid by the Commission to victims of violent crime for financial losses they incurred. Since the inception of the Crime Victims Compensation Commission in 1984, more than $50,000,000 has been paid to innocent victims of crime in Alabama. That we are able to continue to operate for the best interests of the citizens of Alabama is a testament to the support the Commission has received from your office and the Alabama Legislature. We are indebted to the judges, district attorneys, law enforcement officers, victim service officers, and victim advocate groups that humbly serve the needs of the innocent victims we serve.

Thank you for the continuing opportunity to be of service to crime victims and their families.

Sincerely,

Governor Appoints Commission

Mrs. Barbara Brown was appointed to the Alabama Crime Victims Compensation Commission as the crime victim representative to serve a four-year term in November 1996 by Governor Fob James. She was re-appointed to serve a second term on February 13, 2001 by Governor Don Siegelman. Mrs. Brown is the mother of two murdered sons, Brandon Brown, age 19 years, and Horace Jr, age 28 years. Although no arrests have been made in either of her son's brutal murders, she does not allow herself to rest from seeing that the murderers are brought to justice. Effective April 3, 2001, Mrs. Brown and others saw the passage of a Resolution designating that April 4, 2001, be declared as National Anti-Murder Awareness Day, and The Purple Ribbon as the National Symbol Against Violence. Mrs. Brown's attitude of "we can all do something, and should never stop trying to make a difference for crime victims," makes her an outstanding role model for everyone. She also hosts a weekly radio program entitled Victims Voices. Barbara and her husband Horace have a daughter and reside in Selma, Alabama.

Miriam Shehane was appointed to the original Commission in 1984 for a four-year term by Governor George Wallace and was re-appointed by Governor Guy Hunt in 1988. She served until 1992 and was re-appointed in July 1993 by Governor Jim Folsom, and again July 20, 1998 by Governor Fob James. She is a former banker and has worked as the Victim Service Officer in the District Attorney's office in Montgomery and as the Supervisor of the Attorney General's Office of Victim Assistance. Mrs. Shehane's dedication to the victims' movement in Alabama has been acknowledged throughout the nation where she has been asked to speak at national conferences on victims' issues. Mrs. Shehane was one of the founding members of VOCAL, Victims of Crime and Leniency, and has served on the Board since its inception in 1982. She found out about the trauma of victimization first hand when her daughter Quenette, age 21 years, was murdered in 1976 while enrolled at Birmingham Southern. Miriam and her husband Edward have two children and seven grandchildren and reside in Clio, Alabama.

Benny R. Peoples was appointed to the Commission in June 1995 by Governor Fob James to serve a four-year term as the law enforcement representative. He was re-appointed May 11, 2000 by Governor Don Siegelman. He is a retired 30-year veteran of the Alabama Department of Public Safety and held the rank of Captain and the position of Troop Commander of Troop in Mobile. Captain Peoples started his career in Madison County and moved throughout the state during his career. He is a United States Air Force veteran and has been a CID agent in the Alabama National Guard for 27 years with the rank of CW4 in the 1156th MP DET. Captain Peoples training in the field of law enforcement and crimes investigation brings a level of expertise to the Commission needed in the decision process. Benny and his wife Rita have three children and five grandchildren, and reside in Saraland, Alabama.

Innocent Victims of Violent Crimes Can Now Get Help

Martin A. Ramsay was appointed as Executive Director of the Alabama Crime Victims Compensation Commission on February 28, 2000.

Prior to beginning his tenure at the Alabama Crime Victims Compensation Commission (ACVCC), Mr. Ramsay served 12 years at the Alabama Administrative Office of Courts as State Coordinator of Court Referral Programs and Assistant Director of Trial Court Services Division. He was responsible for the implementation and management of the Mandatory Treatment Act, a unique Alabama statute which advocates for alternative sentencing for non-violent, substance-abusing offenders.

Mr. Ramsay holds an M.S. in Justice and Public Safety, with major course-work in Judicial Administration, from Auburn University at Montgomery. Additionally, he is a Fellow with the Institute of Court Management, National Center of State Courts, located in Williamsburg, Virginia. Ramsay was recognized as a Fellow at a ceremony held in June of 2000 at the United States Supreme Court. In that spirit, Mr. Ramsay brings with him a philosophy that exists at the Administrative Office of Courts that he characterizes as, “To serve the courts and to serve the people.”

In addition to his work within the criminal justice system, Mr. Ramsay has over twenty years experience in the counseling field. He is certified as a Master’s Level Addictions professional, Certified Alcohol and Drug Abuse Professional, Certified Criminal Justice Addictions Professional, Certified Prevention Manager, and an Internationally Certified Alcohol and Drug Abuse Professional.

Mr. Ramsay stated, “Coming to work at ACVCC has been the highlight of my professional career. I consider it an honor to work for victims of violent crime and I will work steadily to ensure that we serve all victims in a fair manner. I am proud to be associated with this office and the fine work which occurs here.”

PROLOGUE

We Hear The Need for Help

Violent crime continues to rise. Every day there is news about violence — murder, assault, rape.

The criminal’s rights, punishments and release are public knowledge. However, we are not aware of the pain and suffering of the victims and their families which continues long after the crime has occurred.

In an effort to alleviate hardships suffered by victims of crime, the Alabama Legislature passed the Alabama Crime Victims Compensation Commission Law June 1, 1984. The Alabama Crime Victims Compensation Commission provides the only substantial financial compensation to victims for expenses for personal injuries including medical, funeral and counseling bills. Alabama’s compensation law covers a variety of expenses for which compensation is paid.

As of July 27, 1995, in sexual abuse crimes and offenses, Alabama law provides for the cost of medical examinations for the purpose of gathering evidence and treatment for preventing venereal disease. Application for other expenses incurred, including physical injury, counseling and lost wages, must meet eligibility criteria.

This assistance lessens the financial burden of innocent victims of violent crime and serves as a vehicle of hope for the rights of crime victims.

Our state law is unique. It requires a victim or family member of a victim of violent crime to serve on the three-member commission which hears victim compensation cases. This provision insures that claims are reviewed from the victim’s standpoint.

Now there’s hope for victims of crime. You can begin the healing process by calling the Alabama Crime Victims Compensation Commission in Montgomery to find out if you qualify.

History

State Agency Formed

Created by the Legislature in May of 1984, Alabama became the 40th state to pass a law to compensate victims of violent crime. Alabama has a unique program that appears to incorporate the best of many other states’ programs. The law is broad about the types of crimes and services for which victims may be assisted.

One of the features of Alabama’s law which makes it unique is the requirement to include on the three member Commission, a victim of a crime of violence who suffered serious personal injury, or a member of such victim’s immediate family or a member of a deceased victim’s immediate family if the deceased victim died because of a crime of violence. This provision insures that each claim is viewed through the eye of a victim, and is seen as objectively as possible.

The law also provides that one member be a law enforcement officer with a minimum of 10 years experience in or with a law enforcement agency which has among its primary duties and responsibilities the investigation of violent crimes. Again, a certain perspective lends itself to the decision making process.

Law Amended

In 1986, amendments to the ACVCC law were passed to require all felons to pay a victim assessment fee and to make other administrative improvements.

In the 1990 Regular Session of the Legislature, amendments to the law passed which increased the limits on funeral expenses from $2,000.00 to $3,000.00 and made several changes to expedite claims processing. This new amendment also provided additional funding for District Attorneys to allow for at least one Victim Service Officer in each circuit.

In the 1995 Regular Session of the Legislature, amendments to the law were passed which authorized payments for sexual assault examinations; defined reasons for diminishing or denying compensation awards; and clarified that additional costs and assessments shall be assessed in certain juvenile and youthful offender cases.

Also in 1995, Alabama amended its Constitution to include certain rights for the victim of crime. This Amendment to the Constitution, as stated in the Enabling Legislation, allows that within 72 hours of the criminal event, the law enforcement agency investigating the crime will provide to the victim a form in which to invoke their rights under the Constitution. Further, the form given by the law enforcement officer will tell the victim of the existence and availability of financial assistance from the Alabama Crime Victims Compensation Commission, and the telephone number of ACVCC. The affect of this legislation has made it possible that more victims are notified of the funds, so they can seek the assistance they need from the agency.

As of May 1, 1998, during the 1997/1998 regular Session, the law was again amended to make the following changes:

- Criminally Injurious Conduct shall include the act of terrorism as defined in Section 2331 of Title 18, United States Code, committed outside of the United States, against a resident of this state.
- Raised the maximum award allowance from $10,000.00 to $15,000.00.
- Increased the allowable for expenses relating to funeral, cremation, or burial from $3,000.00 to $5,000.00.
- Increased compensation for work loss, replacement services loss, and dependents’ replacement service loss from $200.00 to $400.00 per week.
- Raised the maximum allowable expense not to exceed $5,000.00 for all future economic loss.
- Clarifying language was added to 15-23-4 to keep the names and addresses of the victim or claimant confidential.
- Language was added to 15-23-12 to clarify the circumstances for filing with the commission later than one year after the injury or death upon which the claim is based “unless” the commission finds good cause.
- Language was added to 15-23-12 to clarify reporting to a law enforcement officer “later than” 72 hours after the crime occurrence, unless the commission finds there was good cause for the failure to report within that time.
Raised the commission members’ pay from thirty dollars ($30.00) to seventy-five dollars ($75.00) per day for attendance of commission meeting.

Funding Source

Court Costs

The Alabama Legislature intends to provide a means whereby victims of violent crimes and their dependents may be provided compensation in the amount of actual expenses incurred as a direct result of criminal acts of other persons. The amount of all costs is paid through the courts and remitted to the Commission each month by the clerk of the courts. The clerk is to keep accurate records of the amounts due the Commission for the benefit of the fund.

The funds collected by the court clerk comes from court costs, victim assessment fees, restitution, and civil suit reimbursements.

- Two dollars ($2.00) is derived from each moving traffic infraction.
- Ten dollars ($10.00) from each misdemeanor violation.
- Fifteen dollars ($15.00) where the offense constitutes a felony.

Other funding sources for the agency come from miscellaneous donations and federal grants. These sources are explained later in this section.

Victim Assessment Fees

Prior to May 1990, the special victim assessment fee was ordered on felonies and ranged from twenty-five dollars ($25.00) to ten thousand dollars ($10,000.00). This was amended in 1990 to add a victim assessment fee onto all misdemeanors.

Also amended in 1990 was the felony victim assessment which increased the minimum judges could order from $25.00 to $50.00 with the first $25.00 going to ACVCC, and the second going to Office of Prosecution Services and any amount over the minimum going to ACVCC. The victim assessment fees are mandatory but the judge does have discretion in the amount of the fee ordered. Judges are required to order the assessment on juvenile and youthful offender cases as well as adult cases.

Restitution and Civil Suit Reimbursements

The ACVCC Law allows for the Commission to be subrogated to all rights of a claimant to receive or recover from a collateral source such as civil lawsuits or insurance payments to the extent that compensation was awarded.

Whenever compensation is awarded to a victim or a claimant who is entitled to restitution from a criminal defendant, the Commission may initiate restitution hearings in such criminal proceedings or intervene in the same.

ACVCC actively pursues all avenues of recovery to the extent possible when it has been determined necessary to protect, maintain, or enforce the commission’s rights to be subrogated, or to exercise any of its powers to carry out the commission’s duties, and responsibilities.

Donations

The ACVCC Law allows for the acceptance of gifts and donations from other sources in order to implement the law under this section, although very few funds are derived through this provision.

Instances where donations are received, is in honor or memory of a loved one who had died violently, or when a community, group or organization may wish to make donations to the fund to further enhance services to crime victims, and for special events to increase public awareness of the plight of crime victims.

Federal Grant Funds

The Victims of Crime Act (VOCA) was passed in 1984 by an act of the United States Congress. The U.S. Department of Justice mandated by VOCA, collects fines and fees from offenders convicted of federal violations. Each year these federal funds are made eligible to the states in the form of federal grants, and is available to Victim Assistance Programs and the Crime Victim Compensation Programs in each state. ACVCC makes application for reimbursements dollars, based on the amounts paid on claims from state funds. The amount may not exceed 40% of the total paid out to victims from state dollars.
History continued

The U.S. Attorneys, the Federal Bureau of Prisons, the Federal Probation Officers, and of course the Victims of Crime Fund deserve our thanks for their diligence in collecting the federal fines and disbursing those awards to the states. These federal funds make it possible to stretch state dollars to enable ACVCC to provide compensation benefits to Alabama victims.

Compensation Payments

Over the past fifteen years, the ACVCC program has received over 20,000 applications from crime victims, and awarded more than $49,000,000.00 for services rendered them. The calculations below show the years the claims were received and the total dollars paid.

The goal to improve our system to financially compensate victims for their losses remain constant. We are indeed proud to be able to assist victims of crime with these awards. Also, we are truly grateful to those who provide information and assistance to the Commission as we try to make a difference in the way victims of crime are treated.

How Do I Apply?

Applications

Applications, informative brochures and other information is available at the Alabama Crime Victims Compensation office. Anyone requesting information may call (334) 242-4007 or toll free in Alabama, at 1-800-541-9388. The FAX number is (334) 353-1401, or you may visit our WEB site at www.agencies.state.al.us/crimedvictims. Also, applications and brochures are generally available at district attorneys’ offices, sheriffs’ offices, and police departments.

District Attorneys’ offices have designated an employee, or has on staff a Victim Service Officer who is available to inform eligible victims about compensation and who may be helpful in completing applications. Also, the staff at ACVCC is always available to answer questions and give aid in completing the application.

Who Can Apply?

Eligibility

Any person who is an innocent victim of criminally injurious conduct and who has sustained personal injuries as a result; or a surviving spouse or child of a victim who died as a result of criminally injurious conduct are eligible to make a claim.

Those eligible to make a claim include the victim, a dependent of a victim who died as a result of the criminally injurious conduct, or a person authorized to act on behalf of a victim or a dependent.

Compensation shall not be awarded in any of the following circumstances:

1. Claim filed with the Commission later than one year from the date of the crime, unless the Commission finds good cause.
2. To a claimant who was the offender, or an accomplice of the offender.
3. If the award would unjustly benefit the offender or accomplice of the offender.
4. Crime was reported to law enforcement officer later than 72 hours after its occurrence, unless the Commission finds good cause.
5. The Commission finding that the claimant or victim has not fully cooperated with law enforcement.

6. The degree of responsibility for the cause of the injury or death is attributable to the victim as determined by the Commission.

7. To a victim or claimant who is convicted of a felony after applying for compensation.

8. To a victim or claimant of a property crime and not a violent crime.

What Compensation May Be Paid?

As of May 1998, the maximum award is $15,000.00 with limitations on certain expenses. The award may cover the following:

- Medical care
- Psychiatric care
- Work Loss due to the crime
- Funeral expenses
- Rehabilitation of the victim

The Commission pays only those expenses which are not covered by another source such as insurance, workman's compensation, etc. The victim or claimant must not receive compensation from two sources. Stolen property, checks or cash are not eligible expenses.

What Happens After a Claim is Filed?

Processing

When an application is received in the office of the Alabama Crime Victims Compensation Commission several steps are taken. The application is entered into the processing system, and given a number. This number remains constant throughout the processing time. An Administrative Support Assistant, who is assigned to receive claims by county, reviews the claim, and sends out letters informing the claimant of the process, and asks for additional information as needed. The claim is then put in line for investigation. The investigation is to determine what happened to the victim, and if the case meets the eligibility criteria based on the ACVCC law. Additionally, all bills for payment are verified with the medical/service provider for accuracy. Other investigations relating to the crime such as forensics evaluation; mental health evaluation; and other evaluations are performed as needed in order to make a recommendation for payment. The investigation also includes determining the criminal charges against the defendant, and if a trial has been held. This is done to determine if restitution, and/or other court ordered money will be ordered by the Courts. When the investigation is finalized, a summary statement of the victimization is presented to the three member Commission at the monthly meeting. The Commission shall hold at its principal place of business regular monthly public meetings on the second Thursday of each month and other meetings at such times and places as its members may elect.

The investigation is to determine what happened to the victim, and if the case meets the eligibility criteria based on the ACVCC law.

The Commission Decides

The Commissioners review the summary of facts, and render a decision based on the facts presented. If the request for compensation is approved, notices are sent to the victim or claimant informing them of the payment and to whom payment is made. Likewise, the same information is sent to the district attorney, the probation officer, and the court clerk, so the judge may have this information at sentencing or restitution hearings. If the request for compensation is denied, the claimant may request an appeal, and must do so in writing to the Commission within thirty (30) days of the notification of the denial. The Commission will then hear the case with an impartial hearing officer present for re-consideration of the request and render a decision. Following the final decision of the appeal, notices are then forwarded to the victim or claimant informing them of the Commission decision.
Supplemental Awards

Provision is made for the payment of a supplemental award as additional bills arise. The victim or claimant need only submit the bills to the Commission as part of the original claim request. The Commission will review the supplemental request for eligibility.

Emergency Awards

Provision is also made for payment of an emergency award in cases where urgent need is apparent and requested.

Special Awards for Domestic Violence Victims

Due to the urgent needs of victims of family violence, a special emergency award is also available under certain conditions as established in the Rules and Regulations of the Alabama Crime Victims Compensation Commission.

Special Awards for Sexual Crimes

In July of 1995, the ACVCC law was amended to allow medical providers to submit bills for the charges of medical examinations for the purpose of gathering evidence and treatment for preventing venereal disease in sexual abuse crimes and offenses. This is an effort to relieve the victim from being further victimized when asked to pay for the gathering of criminal evidence.

Agency’s Advocacy Role

Public Awareness

As the state agency designated to advocate on behalf of victims of violence, the Alabama Crime Victims Compensation Commission spends a great deal of time on efforts to increase the criminal justice system’s awareness of the needs of crime victims. Our efforts are also directed toward the public, whose chances of becoming a victim increases daily.

Efforts to address the needs of crime victims are varied and include such tasks as educational information and training, public relations, participation on committees representing victims, and legislation. We also provide training to criminal justice professionals, other professionals, and the public in areas that will improve our community’s response to crime victims.

Special Events

The Annual Christmas Party for the Grieving Children of Homicide Victims was held at the Embassy Suites Hotel. Thirty-eight children and attending adults took part in the event held to recognize the homicide of either a parent or sibling murdered this year. This marked the fifth anniversary of the “You Are Special” Christmas Party hosted by the Alabama Crime Victims Compensation Commission. This is an effort to remember the crime victims as well as the family members left behind. It is a special way to let children know that they are special and that someone cares about them.

Each child received a Christmas present, ranging from dolls to watches, with all gifts purchased by volunteers. Trooper T. E. Pullin presented each child under the age of ten years with a teddy bear. The Teddy Bear Campaign is a project sponsored by the Alabama State Trooper Association each year. A special thank you to Trooper Pullin, and the State Trooper Association for becoming a partner with the Alabama Crime Victims Compensation Commission to help put a smile on the face of a child.

A special Angel Memorial Service added the final touches to an already special day. The name of each deceased victim was displayed on cut out angels as the children and their families came forward and spoke in honor of their loved one.

Staff members of the Montgomery County District Attorney’s Office, the ACVCC staff, members of Beta Sigma Phi, Preceptor Delta Chapter, and others gave up their Sunday afternoon to assist with everything from greeting our guests to serving the refreshments, to which we are forever grateful.

Honoring Victims of 911

America stood paralyzed as the World Trade Center buildings were struck by airplanes on September 11, 2001. The immediate reaction was disbelief!

Transfixed by our televisions or radios, our minds could not accept that a terrorist could and did take over American airplanes. Not one airplane but four airplanes were sabotaged to attack America that day, almost simultaneously. Nor could we imagine the magnitude of humanity that was missing, injured, or dead from these attacks. We could only bow our heads and weep. Will we ever forget where we were and what we were doing?

As the horror of the day replayed itself over and over, we along with others only wanted to help the victims and survivors. We offered our assistance. We offered our concern and love for our fellow human beings and we were vividly reminded that each criminal attack impacts its victims, whether it is from a foreign terrorist or an attack from a known offender — victims' needs should be addressed by those charged to address these needs.

*Helping crime victims one by one is what the Alabama Crime Victims Compensation Commission is dedicated to do every day, just as each states' compensation program is committed to do.*

As days turned into weeks following the attacks on New York City, the Pentagon in Washington, D.C., and in a field in Pennsylvania, our Alabama’s victim compensation program sent teams to New York City to assist the New York State Crime Victims Board.

Two teams of four traveled to New York City to work at the Family Assistance Center on Pier 94 assisting victims and survivors. The teams spent a week in New York assisting victims with claims for compensation. The experience is indelibly etched in our memories forever. The magnitude of pain, suffering and financial devastation was repeated with each family as they came to the Center for aid. Some came for the financial aid; some came seeking information, while all came seeking comfort to the human spirit.

We are indeed honored and humbled to have been a part of this extraordinary experience. We are all changed people, and our resolve has never been greater serving those in need.

Alabama Hosts Southern Regional Conference

The Alabama Crime Victim Compensation Commission hosted the National Association of Crime Victims Compensation Boards Southern Regional Conference at Orange Beach, Alabama, April 18-29, 2001, bringing over 100 people from 14 states to Alabama.

Participants heard from various presenters on topics ranging from victim to survivor to funding sources for compensation programs. Most often heard comments were “Not only was this conference informative, but it was nice to renew acquaintances and meet new and interesting people working in the field of crime victims.”

Opening the conference as one of the featured speakers was Wanda Jones, a sexual assault survivor, speaking about her experiences in the criminal justice system. Presenting with Ms. Jones was Ellen Brooks, District Attorney for Montgomery County, Alabama. Ms. Brooks is a leading victim advocate in the state of Alabama. Ms. Brooks gave a moving account of meeting Wanda Jones, and how together they brought attention to the Board of Pardons and Paroles when Wanda’s rights as a victim were violated. This presentation was well received by the audience, made up of compensation directors, claims managers, investigators, as well as judges and other criminal justice officials.

The luncheon speaker was Judge Pamela Baschab of the Alabama Criminal Court of Appeals, who spoke of events that helped to shape her as she reviews and rules on cases that come before her in the Court.

Other topics included: Substance Abuse and Its Impact on Crime Victims, Legal Issues in Compensation Programs, Restitution Efforts as a Means For Funding, New and Innovative Projects for Sexual Assault Nurse Exams and Advocacy Issues in Compensation Programs. Each session was followed with questions and the sharing of ideas that allowed for a discussion that gave a new approach to old and shared problems. This training exercise was an effort to help professionals meet the needs of victims of violence.
A special thank you to all those who participated in this important training effort, and a very special thank you to the National Association of Crime Victims Compensation Boards for selecting Alabama as the conference site for the 2001 Southern Regional Conference.

§ 15-23-2. Legislative findings, etc.

The Legislature hereby finds, determines and declares that victims of violent crime are often reduced to bereft and destitute circumstances as a result of the criminal acts perpetrated against them, that the financial or economic resources of such victims and their dependents are in many instances distressed or depleted as a result of injuries inflicted upon them by violent criminals.

That the general social and economic welfare of such victims and their dependents is and ought to be intimately affected with the public interest, that the deplorable plight of these unfortunate citizens should not go unnoticed by our institutions and agencies of government.

The Legislature hereby further finds, determines and declares that it is to the benefit of all that victims of violence and their dependents be assisted financially and socially whenever possible.

To this end the Legislature intends to provide a means whereby victims of violent crime and their dependents may be provided compensation in the amount of actual expenses incurred as a direct result of criminal acts of other persons.

The provisions of this article are to be construed so as to accomplish this purpose and to promote the same which is hereby declared to be the public policy of this state. (Acts 1984, No. 84-658, p. 1308, § 2.)

The commission shall not require any claimant to seek or accept any collateral source contribution, unless the claimant was receiving or was entitled to receive such benefits prior to the occurrence giving rise to the claim under the provisions of this article; provided, however, no applicant shall be denied compensation solely because such applicant is entitled to income from a collateral source. (Acts 1984, No. 84-658, p. 1308, § 9.)

§ 15-23-10. Compensation for economic loss resulting from criminal conduct—Hearing required generally; procedure in contested cases; settlement by consent order, etc.

(c) The commission, upon request, shall furnish the victim a copy of such report. If the victim is deceased, the commission, on request, shall furnish a copy of the report to the claimant.

(3) If the award would unjustly benefit the offender or accomplice of the offender.

(4) The criminally injurious conduct resulting in injury or death was reported to a law enforcement officer later than 72 hours after its occurrence, unless the commission finds there was good cause for the failure to report within that time.

(c) The commission, upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies, may deny, withdraw, or reduce an award of compensation.

(d) The commission, on its own motion or on request of the claimant, may reconsider a decision granting or denying an award or determining its amount. An order on reconsideration of an award shall not require a refund of amounts previously paid, unless the award was obtained by fraud. The right of reconsideration does not affect the finality of a commission decision for the purpose of judicial review. (Acts 1984, No. 84-658, p. 1308, § 12; Acts 1990, No. 90-470, p. 677, § 3; Acts 1995, No. 95-494, p. 994, § 2; Act 98-492, § 1.)

The 1998 amendment effective May 1, 1998, in subsection (a) inserted "in any of the following circumstances", in subdivision (1) substituted "A claim has been filed with the commission later than one year after the injury or death upon which the claim is based, unless the commission finds there was good cause for the failure to file within that time.

(3) To a claimant who was the offender, or an accomplice of the offender or who encouraged or in any way participated in the criminally injurious conduct.

(3) If the award would unjustly benefit the offender or accomplice of the offender.

(4) The criminally injurious conduct resulting in injury or death was reported to a law enforcement officer later than 72 hours after its occurrence, unless the commission finds there was good cause for the failure to report within that time.

(b) Compensation otherwise payable to a claimant may be diminished or denied to the extent that the economic loss is recouped from collateral sources; or the extent that the degree of responsibility for the cause of the injury or death is attributable to the victim as determined by the commission.

(c) The commission, upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies, may deny, withdraw, or reduce an award of compensation.

(d) The commission, on its own motion or on request of the claimant, may reconsider a decision granting or denying an award or determining its amount. An order on reconsideration of an award shall not require a refund of amounts previously paid, unless the award was obtained by fraud. The right of reconsideration does not affect the finality of a commission decision for the purpose of judicial review. (Acts 1984, No. 84-658, p. 1308, § 12; Acts 1990, No. 90-470, p. 677, § 3; Acts 1995, No. 95-494, p. 994, § 2; Act 98-492, § 1.)

§ 15-23-13. Award not contingent on prosecution or conviction of offender; effect of proof of conviction; suspension of proceedings under article.

Except as provided elsewhere in this article, an award may be made whether or not any person is prosecuted or convicted. Proof of conviction of a person whose acts give rise to a claim is conclusive evidence that the crime was committed, unless an application for rehearing, an appeal of the conviction or certiorari is pending, or a rehearing or new trial has been ordered. The commission may suspend the proceedings pending disposition of criminal prosecution that has been commenced or is imminent, but may make a tentative award under this section. (Acts 1984, No. 84-658, p. 1308, § 13.)

§ 15-23-14. Award of compensation subrogates commission to rights of claimant as to collateral source; funds recovered from collateral source held in trust for commission; disposition of trust funds; notice of action to recover damages; restitution hearings.
(a) If compensation is awarded, the commission shall be subrogated to all the rights of a claimant to receive or recover from a collateral source to the extent that compensation was awarded.

(b) In the event the claimant recovers compensation, other than under the provisions of this article, for injuries or death resulting from criminally injurious conduct, the claimant shall retain, as trustee for the commission, so much of the recovered funds as necessary to reimburse the Alabama Crime Victims Compensation Fund to the extent that compensation was awarded to the claimant from that fund. The funds retained in trust shall be promptly paid over to the commission and deposited in the Alabama Crime Victims Compensation Fund.

Whenever the commission shall deem it necessary to protect, maintain or enforce the commission’s right to subrogation or to exercise any of its powers or to carry out any of its duties or responsibilities the commission may initiate legal proceedings or intervene in legal proceedings.

(c) If a claimant initiates any legal proceeding to recover restitution or damages related to the criminally injurious conduct upon which compensation is claimed or awarded, the claimant shall give the commission written notice within 15 days of the filing of the action. The commission may intervene in the proceeding as a complainant to recover the compensation awarded. If a claimant fails to give such written notice to the commission within the stated time period, or prior to any attempt by claimant to reach a negotiated settlement of claims for recovery of damages related to the criminally injurious conduct, the commission’s right of subrogation to receive or recover funds from claimant, to the extent that compensation was awarded by the commission, shall not be reduced in any amount or percentage by the costs incurred by claimant attributable to such legal proceedings or settlement; including, but not limited to, attorney’s fees, expert witness fees, investigative costs or cost of court. If such notice is given, attorney fees may be awarded in an amount not to exceed 15 percent of the amount subrogated to the commission.

(d) Whenever compensation is awarded to a claimant who is entitled to restitution from a criminal defendant, the commission may initiate restitution hearings in such criminal proceedings or intervene in the same. The commission shall be entitled to receive restitution in such proceedings to the extent that compensation was awarded. The commission shall be subrogated to all the rights and remedies of such claimant for the collection of restitution to the extent compensation was awarded; provided however, the commission shall be exempt from the payment of any fees or other charges for the recording of restitution orders in the offices of the judges of probate. (Acts 1984, No. 84-658, p. 1308, § 14; Acts 1986, No. 86-510, p. 993, § 4; Acts 1990, No. 90-470, p. 677, § 4.)

Collateral references.—Civil action for damages under state Racketeer Influenced and Corrupt Organizations Acts (RICO) for losses from racketeering activity. 62 ALR4th 654.

§15-23-15. Amount and method of compensation; future economic loss generally; exemption from state and local taxes, etc.

(a) Compensation for work loss, replacement services loss, dependent’s economic loss, and dependent’s replacement service loss may not exceed four hundred dollars ($400) per week.

(b) Compensation payable to a victim and to all other claimants sustaining economic loss because of injury to or death of that victim may not exceed fifteen thousand dollars ($15,000) in the aggregate.

(c) The commission may provide for the payment to a claimant in a lump sum or in installments. At the request of the claimant, the commission may convert future economic loss, other than allowable expense, to a lump sum, but only upon a finding by the commission of either of the following:

(1) That the award in a lump sum will promote the interests of the claimant; or

(2) That the present value of all future economic loss, other than allowable expense, does not exceed five thousand dollars ($5,000.00).

(d) An award payable in installments for future economic loss may be made only for a period as to which the commission can reasonably determine future economic loss. An award payable in installments for future economic loss may be modified by the commission upon its findings that a material and substantial change of circumstances has occurred.

(e) An award shall not be subject to state or municipal taxation or to execution, attachment, or garnishment, except as the same may pertain to an obligation for the support of dependent children or as the same may pertain to a creditor which has provided products, services, or accommodations, the costs of which are included in the award.

(f) An assignment by the claimant to any future award under the provisions of this article is unenforceable, except any of the following assignments:

(1) An assignment of any award for work loss to assure payment of court-ordered child support.

(2) An assignment of any award for allowable expense to the extent that the benefits are for the cost of products, services, or accommodations necessitated by the injury or death on which the claim is based and are provided or to be provided by the assignee. (Acts 1984, No. 84-658, p. 1308, § 15; Acts 1990, No. 90-470, p. 677, § 5; Act 98-492, § 1.)

The 1998 amendment, effective May 1, 1998, in subsection (a) substituted “four hundred ($400)” for “$200.00”; in subsection (b) substituted “fifteen thousand dollars ($15,000)” for “$10,000.00”; in subsection (c), in subdivision (2),
§ 15-23-16. Alabama Crime Victim Compensation Fund; created; purposes; composition, administered or managed by commission.

(a) There is hereby established a special fund to be known as the Alabama Crime Victims Compensation Fund.

(b) The fund shall be placed under the management or administration of the Alabama Crime Victims Compensation Commission for purposes of providing compensation or other benefits to crime victims and for purposes of implementing this article.

(e) All moneys of the commission shall be covered into the State Treasury or deposited in a special trust account and may be withdrawn therefrom by vouchers or check signed by the chair of the commission pursuant to authorization given by the commissioner. All investments of moneys in the fund shall be either deposited with the State Treasurer for safekeeping upon receipt of the State Treasurer therefor or deposited with the bank in a custodial account. The commission shall have authority to expend moneys in the fund in accordance with this article and to invest any moneys so received pending other needs therefor in any investments which are legal investments for insurance companies under the laws of the state.

(f) No member of the commission shall have any interest in the investments or receive any commission with respect thereto.

(g) It shall be the duty of the commission to keep detailed permanent records of all expenditures and disbursements from the fund.

(h) The commission is authorized to accept and use funds available to it from all sources, such as grants, appropriations, gifts, donations, and other sources for purposes of implementing this article.

(i) The commission may not award any moneys for the six months immediately following passage of this article.

(j) The commission may not award or promise to award more moneys than are available in the fund.

(k) The commission shall not spend more than 25 percent of its funds for administrative costs.

The 1995 amendment, effective July 27, 1995, deleted “the provisions of” preceding “this article” throughout this section; substituted “not inconsistent” for “as shall not be inconsistent” in subsection (d); deleted “any” following “deposited with” in the second sentence of subsection (e); deleted “any” following “interest in” in subsection (f); and made nonsubstantive changes.

§ 15-23-17. Assessment of additional costs and penalties; collection and disposition of additional assessments, etc.

(a) In all criminal and quasi-criminal proceedings for the violation of laws of the state or municipal ordinances which are tried in any court or tribunal in this state, wherein the defendant is adjudged guilty or pleads guilty, or is adjudicated a juvenile delinquent or youthful offender, or wherein a bond is forfeited and the result of the forfeiture is a final disposition of the case or wherein any penalty is imposed, there is imposed an additional cost of court in the amount of two dollars ($2) for each traffic infraction, ten dollars ($10) in each proceeding where the offense constitutes a misdemeanor and/or a violation of a municipal ordinance other than traffic infractions, and fifteen dollars ($15) in each proceeding where the offense constitutes a felony, but there shall be no additional costs imposed for violations relating to parking of vehicles.

The amount of all costs shall be remitted by the person or authority collecting the costs to the chair of the commission on the tenth day of each month next succeeding that in which the cost is paid. It shall be the duty of the clerk or other authority collecting the court costs to keep accurate records of the amounts due the commission for the benefit of the fund under this section.

(b) In addition to the imposition of any other costs, penalties, or fines imposed pursuant to law, any person convicted or pleading guilty to a felony or a misdemeanor or a violation for which the person is adjudicated a juvenile delinquent, or a youthful offender, shall be ordered to pay a victim compensation assessment of not less than fifty dollars ($50), nor more than ten thousand dollars ($10,000), for each felony for which the person convicted or adjudicated and...
not less than twenty-five dollars ($25.00), nor more than one thousand dollars ($1,000.00), for each misdemeanor or violation for which the person was convicted, adjudicated, or otherwise disposed of when the court orders that costs be paid. In imposing this penalty, the court shall consider factors such as the severity of the crime, the prior criminal record, and the ability of the defendant to pay, as well as the economic impact of the victim compensation assessment on the dependents of the defendant. Any person adjudicated a juvenile delinquent shall be ordered to pay a victim compensation assessment of not less than twenty-five dollars ($25), nor more than one thousand dollars ($1,000), for each adjudication, regardless of the underlying charge, but the assessment or penalty authorized by this subsection shall not be assessed or collected for any conservation, forestry, or water safety offense, nor any traffic offense, except those that are punishable as a felony offense or involve the operation or actual physical control of any vehicle while intoxicated or under the influence of drugs, or reckless driving. If a court finds that it is necessary to impose an assessment required by this section, the clerk of court shall automatically assess a victim compensation assessment in the minimum amount provided herein. The additional assessment or penalty shall be collected by the clerk of court insuring that the first twenty-five dollars ($25) of each felony assessment and twelve dollars and fifty cents ($12.50) of each misdemeanor shall be promptly paid over to the commission. The second twenty-five dollars ($25) of each felony assessment and twelve dollars and fifty cents ($12.50) of each misdemeanor assessment shall be promptly paid to the Office of Prosecution Services. Any victim assessment fees ordered above the minimum shall be paid to the commission fund.

(c) The Office of Prosecution Services shall create a Victim Services Fund and the assessments received by the Office of Prosecution Services shall be deposited into the Victim Services Fund. The funds received by the Office of Prosecution Services shall be distributed by the Executive Committee of the Alabama District Attorneys Association to the various district attorneys' offices to employ a minimum of one full-time victim service officer in each circuit and to provide other direct services to victims as needed. (Acts 1984, No. 84-658, p. 1308, § 17; Acts 1986, No. 86-510, § 5; Acts 1990, No. 90-470, p. 677, § 6; Acts 1995, No. 95-494, § 4.)

The 1995 amendment, effective July 27, 1995, in subsection (a), in the first paragraph, inserted "or is adjudicated a juvenile delinquent or youthful offender," and substituted "but" for "provided, however, that:" in subsection (b), in the first sentence, inserted "or a violation of which the person is adjudicated a juvenile delinquent, or youthful offender," inserted "or adjudicated," inserted "or violation, and" and inserted "and" added the present third and fourth sentences, substituted "imposing" for "imposing the same and" and the present fifth sentence; and made nonsubstantive changes.

The words "severity of the crime" contemplate that some crimes are more reprehensible than others and that they produce greater emotional suffering and societal disstrain: therefore, the trial judge was authorized to consider the fact that the crime was "severe" because of its noneconomic impact upon family, friends and society. Ex parte Lewis, 556 So. 2d 370 (Ala. 1989).

List not exhaustive. Although the legislature specifically listed several factors that a sentencing judge should consider, this list is not exhaustive. Ex parte Lewis, 556 So. 2d 370 (Ala. 1989).

Authorization to impose both fine and assessment. — The trial judge was authorized to impose both a fine and an assessment under that Crime Victims Compensation Act and that the total amount of the fine and assessment does not constitute an "excessive fine" since the $10,000 assessment and the $3,000 fine are both authorized, under the provisions of this section and § 13A-5-11, respectively. Ex parte Lewis, 556 So. 2d 370 (Ala. 1989).

Where both the fine and the assessment imposed upon the appellant were within the statutory limits, the total amount imposed did not constitute an "excessive fine." Garner v. State, 606 So. 2d 177 (Ala. Crim. App. 1992).

The Legislature has the power to authorize both a fine and as assessment under the provisions of the Alabama Crime Victims Compensation Act, and that the amount of this particular assessment is not "excessive." Ex parte Lewis, 556 So. 2d 370 (Ala. 1989).

Where defendant charged before amendment but sentence after amendment — Where defendant was charged with misdemeanor prior to effective date of the 1989 amendment, but was sentenced after amendment took effect, defendant could not be ordered to pay victim compensation assessment. Taylor v. State, 596 So. 2d 964 (Ala. Crim. App. 1991).

(a) Any person who offers, offers to confer anything of value upon a member, agent or employee of the Alabama Crime Victims Compensation Commission with the intent that such member's or agent's or employee's vote, opinion, judgment or exercise of discretion or other action in such member's or agent's or employee's official capacity will thereby be influenced shall be guilty of a Class B felony.

(b) Any member, agent or employee of the Alabama Crime Victims Compensation Commission who shall solicit, accept, or agree to solicit or accept anything of value upon an agreement or understanding that such member's or agent's or employee's vote, opinion, judgment or exercise of discretion or other action as such member, agent, or employee will thereby be influenced shall be guilty of a Class B felony.

(c) It shall not be a defense to a prosecution under this section that the member, agent or employee sought to be influenced was not qualified to act in the desired way because of a lack of jurisdiction or for any other reason. (Acts 1984, No. 84-658, p. 1308, § 18.)
