Violent crime continues to rise. Every day there is news about violence — murder, assault, rape. The criminal’s rights, punishments and release are public knowledge. However, we are not made aware of the pain and suffering of the victims and their families which continues long after the crime has occurred.

In an effort to alleviate the hardships suffered by victims of crime, the Alabama Legislature passed the Alabama Crime Victims Compensation Commission Law June 1, 1984. The Alabama Crime Victims Compensation Commission provides the only substantial financial compensation to victims for expenses for personal injuries including medical, funeral, counseling bills, lost wages and emergency funds. All applications must meet eligibility criteria before compensation may be awarded.

This assistance lessens the financial burden on innocent victims of violent crime and helps violent crime victims begin to rebuild their lives after the trauma of victimization.

One of the features of Alabama’s law which makes it unique is the requirement to include on the three-member Commission a victim of a crime of violence who suffered serious personal injury, or a homicide survivor. This provision insures that each claim is viewed through the eyes of a victim. The law also provides that one member must be a law enforcement officer with a minimum of 10 years experience in or with a law enforcement agency that investigates violent crimes. This provision lends a great deal of expertise to the decision making process.

The Commission is also pleased to offer language assistance free of charge to persons with limited English proficiency.
Honorable Bob Riley  
Governor of Alabama  
Alabama State Capitol  
Montgomery, Alabama 36130

Honorable Members of the State Legislature  
State of Alabama  
Alabama State House  
Montgomery, Alabama 36130

Dear Governor Riley, Ladies and Gentlemen:

On behalf of the Commissioners of the Alabama Crime Victims Compensation Commission and this office, it is my honor to submit the Annual Report of the Alabama Crime Victims Compensation Commission for the period October 1, 2005, through September 30, 2006. The report comprises the areas of responsibility of the Commission, as well as activities the Commission has endeavored to present and sustain each year.

This year, more than $4 million in compensation was provided by the Commission to victims of violent crimes for financial losses they incurred as a result of their victimization. Since the inception of the Crime Victims Compensation Commission in 1984, more than $70 million has been provided to innocent victims of crime in Alabama. That we are able to continue to operate for the best interests of the citizens of Alabama is a testament to the support the Commission has received from your office and the Alabama Legislature. We are indebted to the law enforcement officers, judges, district attorneys, victim service officers, victim advocacy groups, and service providers that assist the innocent victims of crime we proudly serve.

Thank you for the continuing opportunity to be of service to crime victims and their families.

Respectfully,

Martin A. Ramsay  
Executive Director

MAR/kz
Commission Members

Mrs. Barbara Brown was appointed to the Alabama Crime Victims Compensation Commission as the crime victim representative to serve a four-year term in November 1996 by Governor Fob James. She was reappointed to serve a second term on February 13, 2001 by Governor Don Siegelman. In 2004, Mrs. Brown was reappointed to serve for another four-year term by Governor Bob Riley. Mrs. Brown is the mother of two murdered sons, Brandon, age 19 years, and Horace Jr. age 28 years. Although no arrests have been made in either of her sons’ brutal murders, she does not allow herself to rest from seeing that the murderers are brought to justice. Effective April 3, 2001, Mrs. Brown and others saw the passage of a Resolution designating that April 4, 2001, be declared as National Anti-Murder Awareness Day and The Purple Ribbon as the National Symbol Against Violence. Mrs. Brown’s attitude of “we can all do something, and should never stop trying to make a difference for crime victims,” makes her an outstanding role model for everyone. Barbara and her husband Horace have a daughter and reside in Selma, Alabama.

Miriam Shehane was appointed to the original Commission in 1984 for a four-year term by Governor George Wallace and was reappointed by Governor Guy Hunt in 1988. She served until 1992 and was reappointed in July 1993 by Governor Jim Folsom, July 20, 1998 by Governor Fob James, July 2001 by Gov. Siegelman, and most recently in July 2006 by Governor Bob Riley. She is a former banker and has worked as the victim service officer in the District Attorney’s office in Montgomery and as the supervisor of the Attorney General’s Office of Victim Assistance Division. Mrs. Shehane’s dedication to the victims’ movement in Alabama has been acknowledged throughout the nation where she has been asked to speak at national conferences on victims’ issues. Mrs. Shehane was one of the founding members of the Victims of Crime and Leniency (VOCAL) organization, and has served on the Board since its inception in 1982. She found out about the trauma of victimization first-hand when her twenty-one year old daughter Quenette was murdered in 1976 while enrolled at Birmingham Southern. Miriam and her husband Edward have two children and seven grandchildren and reside in Clio, Alabama.

Chief Rick Singleton was appointed to the Commission in June 2003 by Governor Bob Riley to serve a four-year term as the law enforcement representative. He has served as the Chief of Police of the Florence Police Department since 1996. He began his career in 1972, serving as deputy sheriff with the Lauderdale County Sheriff’s office. Chief Singleton holds a Bachelor of Science in Law Enforcement and Business Administration from the University North Alabama and a Master’s Degree of Science in Criminal Justice from the University of Alabama. Chief Singleton is active in numerous civic and community activities. Chief Singleton’s training and expertise in the field of front line law enforcement has been of great value to the commission, as claims are reviewed and decisions are made. He and his wife Peggy have two children, and reside in Florence, Alabama.
Martin A. Ramsay has served as Executive Director of the Alabama Crime Victims Compensation Commission since February 28, 2000. Since his tenure with the Commission, he has been responsible for increasing claims production and achieving the highest payout of compensation benefits ever paid to victims of violent crime in the state of Alabama in one fiscal year.

Prior to his work with the Commission, Mr. Ramsay served 12 years at the Alabama Administrative Office of Courts as State Coordinator of Court Referral Programs and Assistant Director of Trial Court Services Division. He was responsible for the implementation and management of the Alabama Court Referral Program network and the Mandatory Treatment Act.

Mr. Ramsay holds a Bachelor’s degree in Criminal Justice from Troy State University in Montgomery and a Master’s degree in Justice and Public Safety, with major coursework in Judicial Administration, from Auburn University at Montgomery (AUM). Additionally, he is a Fellow with the National Center of State Courts, Institute of Court Management, located in Williamsburg, Virginia.

In addition to his work within the criminal justice system, Mr. Ramsay has over twenty years experience in the substance abuse field. He is certified as a Master’s Level Addictions Professional, Certified Alcohol and Drug Abuse Professional, Certified Criminal Justice Addictions Professional, Certified Prevention Manager and an Internationally Certified Alcohol and Drug Abuse Professional. Mr. Ramsay feels that “the years he has spent working with victims of violent crime have been the most rewarding of his career.”

Commission Created in 1984

Created by the Legislature in May of 1984, Alabama became the 40th state to pass a law to compensate victims of violent crime. Alabama has a unique program that incorporates the best of many other states’ programs, as well as some original ideas of its own.

Law Amended

In 1986, amendments to the ACVCC law were passed to require all felons to pay a victim assessment fee.

In the 1990 regular session of the Legislature, amendments passed which increased the limits for funeral expenses from $2,000 to $3,000. This new amendment also provided additional funding for district attorneys to employ at least one victim service officer in each circuit.

In the 1995 regular session of the Alabama Legislature, amendments to the law were passed which authorized payments for sexual assault examinations; further defined reasons for diminishing or denying compensation awards; and clarified that additional costs and assessments shall be assessed in certain juvenile and youthful offender cases.

1995 was a historic year for crime victims in Alabama because that is the year the Alabama Constitution was amended to include certain rights for victims of crime. This constitutional amendment provides that within seventy-two hours of the criminal event, the law enforcement agency investigating the crime will provide the victim with a form in which to invoke his/her rights pursuant to the constitution. Further, the form given by the law enforcement officer will inform the victim of the existence and availability of financial assistance from the Commission. This constitutional amendment has made it possible for more victims to be notified of the Commission and the benefits that it has to offer.

As of May 1, 1998, during the 1997/1998 regular session of the Alabama Legislature, the law was again amended to make the following changes:

• Criminally Injurious Conduct shall include the act of terrorism as defined in § 2331 of Title 18, United States Code, committed outside of the United States, against a resident of this state.
• Raised the maximum award allowance from $10,000 to $15,000.
• Increased the allowable amount for expenses relating to funeral, cremation, or burial from $3,000 to $5,000.
• Increased compensation for work loss, replacement services loss, and dependents’ replacement service loss from $200 to $400 per week.
• Raised the maximum allowable expense not to exceed $5,000 for all future economic loss.
• Clarifying language was added to §15-23-4 to keep the names and addresses of the victim or claimant confidential.
• Language was added to §15-23-12 to clarify the circumstances for filing with the Commission later than one year after the injury or death upon which the claim is based “unless” the Commission finds good cause.
• Language was added to §15-23-12 to clarify reporting to a law enforcement officer “later than” seventy-two hours after the crime occurrence, unless the Commission finds there was good cause for the failure to report within that time.

History of Compensation Payments

Over the past twenty years, the Commission has received over 36,000 applications from crime victims, and awarded almost $70,000,000 for their actual financial losses. The graph below shows the years the claims were received and the total dollars paid:

The Compensation Process

The Alabama Crime Victims Compensation Commission is dedicated to providing financial compensation to innocent victims of violent crime to the extent possible in a sensitive and timely manner. Alabama law grants the Commission authority to promulgate rules which further define the compensation process and claim eligibility requirements. The agency is organized as follows.

The purpose of the Commission’s Administration section is to oversee the day-to-day functioning of the agency. Administration is composed of the Executive Director’s office, Staff Attorney/Personnel, Executive Secretary, Restitution Recovery, and Reception.

The Executive Director reviews all claims prior to the Commission meeting and renders decisions on claims less than $2,000. The Director is accountable for the efficiency of the office to the Commission Board Members.

The Executive Secretary functions as an assistant to both the Executive Director and the Legal/Personnel Department. This position provides crucial support services in both these areas.

Legal/Personnel is responsible for agency legal responsibilities including appeal hearings and court appearances. The attorney also manages all agency personnel matters and promulgates rules, regulations and polices and procedures, at the Commission’s request.

In 2002, the Commission implemented a designated Restitution Recovery Unit to seek ways to improve the collection of restitution, subrogation fees and other court ordered monies. Two positions were revised through the Alabama State Personnel Department that consists of two Crime Victims Compensation Specialists with restitution officer designations. The role of the Restitution Recovery Officer is to:

- Work with DA's and circuit clerks to ensure the court orders or amends restitution for ACVCC.
- Provide information to VSO’s and restitution officers to assist them in collecting outstanding restitution.
- Provide training to court officials, various agencies and the general public.
- Notify the Parole Board of any outstanding restitution owed by inmates who are scheduled for a parole hearing.
- Notify victims and civil attorneys of the Commission’s subrogation rights when civil suits arise out of the violent crime.

The Receptionist answers incoming calls to the agency. The Receptionist is often a victim’s first contact with the Commission. This post also distributes all mail, routes incoming telecommunications, as well as disseminates compensation applications and literature.

The Claims Divisions are responsible for processing incoming compensation applications from victims and claimants. Administrative support assistants receive new claims, enter them into the system and do all preliminary work to establish the eligibility of the claim.

Claims are then assigned to a Crime Victims Compensation Specialist for investigation. The Specialist determines eligibility based upon the law and the Administrative Code. After contacting all parties
associated with the claim (victim/claimant, law enforcement, forensics, medical service providers, court officials and others), the completed claim is presented to the Commission or Executive Director for decision.

Two **Claims Divisions** comprise three distinct areas of claims:

- **Regular Claims** pertain to the majority of claims received that are not specific to homicide, domestic violence or sexual assault. These claims are assault, kidnapping, manslaughter, robbery, leaving the scene of an accident and DUI related accidents, stalking, child physical abuse, attempted murder, harassment and human trafficking.

- Homicide claims are investigated by two crime victims compensation specialists. These specialists are supported by administrative support assistants and their claims manager. During the last fiscal year, the homicide specialists processed 361 homicide claims for presentation to the Commission for decision. The homicide specialists are very aware that each of these claims represents a family devastated by tragedy and loss. In all claims, each claimant/victim/survivor is contacted personally.

- The **Domestic Violence and Sexual Assault** unit handles two specialized areas. Claim applications for domestic violence cases are available through certified shelters and are limited to $1,000, for a victim’s immediate out-of-pocket expenses. Additional expenses exceeding the $1,000 maximum award may be applied for through the regular claim application process if the victim meets the eligibility criteria for both types of claims. The Commission provides training to domestic violence shelters’ staff to ensure that eligible victims receive all available assistance.

  In sexual assault cases, the Commission provides for the costs of medical examinations for the purpose of gathering evidence and for the treatment and prevention of sexually-transmitted diseases. When medical personnel evaluate a sexual assault victim, a forensic evidence kit is collected. The bill for these services is then forwarded to the Commission for payment consideration. This program began in 1995 to ensure that sexual assault victims would not have to pay for the collection of forensic evidence. Additional expenses incurred by sexual assault victims may be applied for through the regular claim application process. The Commission provides training to hospitals, rape crisis centers and SANE clinics to make certain that the charges for forensic evidence collection are not billed to sexual assault victims.

  In addition to investigating claims, crime victims compensation specialists assist violent crime victims in obtaining needed services from other entities. Through their personal contacts with victims, the specialists are able to discern what the victims’/claimants’/survivors’ needs are and assist them with referrals to community resources for counseling and other assistance.

  The **Information Technology Services Division** of the Commission manages the technology used by the staff of the ACVCC in providing services to victims. The IT Division:

  - Performs as the agency’s system administrator, directing the daily activities of the Technical Services section.
  - Serves as the agency contact with outside vendors and other state agencies for issues involving technology.
  - Establishes hardware and software requirements of the agency and recommends product purchases to meet these needs.
  - Provides training, serves as the technical training contact and provides technical assistance to agency staff as needed.
  - Serves as the database administrator which includes overseeing design, implementation, and mining of agency data to ensure proper production of documentation, correspondence and statistics.
• Performs as the agency’s e-mail postmaster and as the agency contact for the Unified State e-mail service.

• Staff performs as the agency’s help desk and maintains all backup materials of the database and network.

• Assists with data correction, validation, and integrity on the agency database, and maintains the agency web site.

The Accounting Division is responsible for:

• Processing all monthly claims checks to victims, claimants and service providers.

• Revenue collection which consists of collection of city court traffic infractions, misdemeanors and/or violation of municipal ordinances and any felonies. In addition to city fines, county fines are also collected in misdemeanors, felonies and victim assessment fees, as well as city and county restitution and civil suit litigation.

• Managing accounts payable and receivable and preparing the agency budget for the Commission. This division also prepares monthly financial reports and maintains agency inventory.

Very few compensation programs in America have the advantage of having an accounting division within the compensation program. The opportunity to totally process a claim, from beginning to conclusion, within the agency is beneficial to victims. The Commission is an autonomous state agency. This eliminates the need for outsourcing most needs and expedites services to violent crime victims.

Filing a Claim for Victim Compensation

How to Apply

A crime victim or their representative (claimant) may apply by completing and signing a compensation application. Information about the Commission may be obtained by calling (334) 290-4420 or toll-free at 1-800-541-9388 (victims only), or you may visit our website at www.acvcc.state.al.us. Applications and brochures are generally available at district attorney’s offices, sheriffs’ offices and police departments. The application is also available on the website for downloading. A Spanish language version of the application may also be downloaded from the Commission’s website. The Commission offers free language assistance to persons with limited English proficiency at no cost to them. Each district attorney's office has a victim service officer (VSO), who is available to inform and assist victims with compensation applications. The Commission staff is also available to answer questions and assist in completing the application.

Who Qualifies for Compensation?

Any person who is an innocent victim of criminally injurious conduct and who has sustained personal injuries as a result, or a surviving spouse or child of a victim who died as a result of criminally injurious conduct or a person authorized to act on behalf of a victim or a dependent may be eligible for compensation. All applicants must meet all eligibility criteria before compensation can be awarded.

What Compensation Covers?

Currently, the maximum award is $15,000 with limitations on certain expenses. The award may cover the following:

• Medical care - including doctor and hospital care, dental expenses, prescriptions, medical supplies, inpatient psychiatric care, etc. This does not include expenses covered by insurance.
- **Counseling expenses** - including counselor, psychologist or psychiatric fees for counseling, unless covered by another source. This category is limited to fifty sessions or $6,250, or up to $8,000 for exigent circumstances. Payments are limited to $80 per hour for licensed professional counselors and social workers; $100 per hour for psychologists; and $125 per hour for psychiatrists. The rate for group therapy is $60 per hour.

- **Funeral expenses** - including funeral home expenses, cremation, burial expenses (including monument) is $5,000. Expenses for flowers, clothing or limousines do not qualify for reimbursement.

- **Work Loss** - including the victim, claimant or immediate family member’s net (take-home) weekly pay for a reasonable length of absence from work. There is a maximum of $400 per week for work loss, annual leave, sick leave, personal leave or holiday, up to $10,400 for twenty-six weeks may be considered.

- **Rehabilitation expenses** - including vocational or physical therapy, if not covered by another source.

- **Property expenses** - including only property taken as evidence by law enforcement which was soiled or damaged as the result of the violent crime. This does not include automobile repair, insurance deductible, appliances or money. Damaged property, not to exceed $500 for clothing, $1,000 for real property or $1,000 for damaged property. A maximum of $1,000 may be awarded for eligible property expenses.

- **Moving expenses** - including security deposits, utility deposits and moving costs. There is a maximum available award of $1,000 for moving expenses. This is only considered in extreme circumstances when the victim is in imminent physical danger and when the offense occurred at home.

- **Future economic loss** - future or additional expenses or losses to the victim or victim’s dependents must be justified with explanation of how losses were calculated. The maximum award possible is $5,000.

- **Replacement services loss** - expenses claimant would not have suffered had the victim lived. There is a maximum award of $1,500.

In fiscal year ‘05-’06, the Commission returned payment for eligible medical expenses to 100%.

The Commission pays only those expenses that are not covered by another source, such as insurance, workman’s compensation, etc. The Commission will not award compensation if it results in a double recovery for the victim or claimant. Stolen property, checks and cash are not eligible for reimbursement.

### Supplemental Awards

Provision is made for payment of supplemental awards as additional bills arise. The victim or claimant need only submit the bills and the Commission will review the supplemental request for eligibility. In instances in which the compensation request for a supplemental award is $1,000 or less, the executive director may rule on the eligibility of the claim.

### Emergency Awards

Provision is also made for payment of emergency awards in cases where urgent need is substantiated and critical services cannot be obtained without payment.
Special Awards for Domestic Violence Victims
Provision is also made to meet the urgent needs of victims of family violence. A special emergency award is available under certain conditions as established in the Commission’s administrative code.

Special Awards for Sexual Assault Crimes
In July of 1995, Alabama law was amended to allow medical providers to submit bills for the charges of medical examinations for the purpose of gathering evidence and treatment for preventing venereal disease in sexual assault crimes. This step was taken because victims should not be responsible for paying for the gathering of criminal evidence.

What Happens After I Apply?
When an application is received by the Commission, it begins the processing of the compensation claim. The application is date-stamped, entered into the claims management system and assigned a claim number. This claim number remains the same throughout processing. An administrative support assistant, who is assigned to receive claims by county, reviews the claim, and sends out letters confirming receipt of the application and also requesting additional information if needed. The claim is then assigned to a crime victim compensation specialist for the investigation/verification process.

Ineligible Claims
Compensation shall not be awarded in any of the following circumstances:
1. If the claim is filed with the Commission later than one year from the date of the crime, unless the Commission finds good cause as to why the claim was not filed within one year.
2. If the victim of the claimant was the offender, or was an accomplice of the offender.
3. If the award would unjustly benefit the offender of accomplice of the offender.
4. If the crime was reported to law enforcement later than seventy-two hours after its occurrence, unless the Commission finds good cause as to why the crime was not reported to law enforcement within seventy-two hours.
5. If the Commission finds that the victim or the claimant has not fully cooperated with law enforcement, the courts, the prosecutor’s office and/or the Commission.
6. If the Commission finds that the victim was responsible in whole or part for the cause of the injury or death.
7. If the Commission finds that the victim or claimant was convicted of a felony or criminally injurious conduct after making application for compensation.
8. If the victimization was a result of a property crime and not a violent crime with injury.
9. If the victim was engaged in illegal activity or was in an illegal place of business at the time of the incident.
10. If the victim was on probation, parole, work release or any type of custodial or non-custodial release for a violent felony conviction, at the time of his/her victimization.
11. If the victim’s presence in the United States of America is not lawful (claimants/victims who are certified by federal authorities as victims of human trafficking shall be eligible for compensation benefits).
Investigation

An investigation is conducted in order to determine what happened to the victim and if the case meets the eligibility criteria set forth in the Code of Alabama and the Commission’s administrative code. Additionally, all bills for payment are verified with the medical/service provider for accuracy. Other investigations relating to the crime such as forensics evaluation, law enforcement investigative reports, and other relevant information are considered in order to make an informed recommendation for payment. The investigation also includes determining the criminal charges against the defendant, and determines if the criminal case has reached a final disposition. This is necessary in order to ascertain whether restitution and other court-ordered money has been ordered by the court system. When the investigation is complete, a summary statement of the victimization is presented to the three-member Commission or the Executive Director for decision.

The Commission Decides

The Commission holds an open, public meeting on the second Thursday of each month and other meetings at such times and places as its members may elect. From time to time, the Commission must change the regularly scheduled meetings, and will publish these changes in the newspaper and on the Alabama Secretary of State’s website.

In each claim, the Commissioners review the summary of facts, and render a decision based on the facts presented. In cases in which the compensation request is $2,000 or less, the Executive Director rules on the eligibility of the claim. If the request for compensation is approved, notice is sent to the victim or claimant informing them of the payment and to whom payment is made. This information is also sent to the district attorney, the probation office and the court clerk, so that the judge may have this information at restitution hearings.

Appeals

If a claimant disagrees with the Commission’s decision in his/her claim, the claimant may request an appeal. The appeal request must be made to the Commission in writing and also must be signed by the claimant. The Commission must receive the appeal request within thirty days of the claimant’s notification of the decision.

When a timely appeal request is received, the claim is placed on the Commission’s appeal docket. The Commission sends the claimant notice of the hearing via certified and regular mail. The Notice of Administrative Appeal Hearing advises the claimant of the procedure for the hearing and also the Commission’s assertions of fact and law. The hearings are presided over by an administrative law judge; however, the three-member Commission renders the final decision in the appeal hearing. After the Commission renders its final decision, a Final Order, detailing the Commission’s findings, is prepared and sent to the claimant via certified mail.

The Commission’s Philosophy

Every claim received by the Commission is reviewed on an individual basis. No two claims are alike and each claim deserves individualized attention and review. The Commission is dedicated to providing compassionate assistance in compliance with all relevant laws and the Commission’s administrative code. Each Commissioner, the Executive Director and every Commission employee strives to make the claims process as speedy and as victim-friendly as possible.
Court Costs

The Commission was created to provide a means for innocent victims of violent crime and their dependents to receive compensation for eligible expenses in the amount of actual expenses incurred as a direct result of violent crime victimization. The Commission is funded solely by the collection of fines, fees, restitution and a federal grant. The clerk of court for each respective judicial circuit collects the fines, fees and restitution owed to the Commission by criminal offenders. The court clerk then remits these monies to the Commission each month. The court clerk is responsible for the important task of maintaining accurate records of the amounts due the Commission for deposit into the Crime Victims Compensation Fund.

 Victim Assessment Fees

Prior to 1990, the special victim assessment fee was ordered for felony convictions and ranged from twenty-five dollars ($25) to ten thousand dollars ($10,000). This was amended in 1990 to add a victim assessment fee to misdemeanor convictions.

Also amended in 1990 was the felony victim assessment fee which increased the minimum judges are required to order from $25 to $50 with the first $25 going to the Commission and the second $25 going to the Office of Prosecution Services and any amount over the minimum going to the Commission. The victim assessment fees are mandatory; however, the judge does have discretion in the amount of the fee ordered. Judges are required to order the assessment for juvenile and youthful offender cases as well as adult cases.

 Restitution and Civil Suit Reimbursements

By operation of law, the Commission is automatically subrogated to all of the victim’s/claimant’s rights to receive or recover compensation from a collateral source. This includes insurance payments and civil suit recoveries and settlements. Alabama law also requires a claimant who initiates any legal proceeding to recover restitution or damages (related to the victimization), provide the Commission written notice of that action within fifteen days of the filing of the action.

 Donations

Alabama law allows the Commission to accept gifts and donations. Although very few funds are derived through this provision, the Commission is deeply grateful to those who have generously chosen to donate to the Crime Victims Compensation Fund.
Federal Grant Funds

The Victims of Crime Act (VOCA) was passed in 1984 by an act of the United States Congress. The U.S. Department of Justice, as mandated by the VOCA legislation, collects fines and fees from offenders convicted of federal violations. Each year these federal funds are made available to the various states’ crime victims compensation programs in the form of federal grants. The Commission makes application for reimbursement funds in an amount not to exceed 60% of the total dollars received from the court system and paid as compensation to violent crime victims.

The U.S. Attorneys, the Federal Bureau of Prisons, the Federal Probation Officers and, of course, the Victims of Crime Fund deserve our thanks for their diligence in collecting the federal fines and disbursing those awards to the states. These federal funds make it possible for the Commission to provide compensation benefits to all eligible victims of violent crime in Alabama.

Collateral references. - Governmental tort liability for failure to provide police protection to specifically threatened crime victim. 46 ALR4th 948.

§ 15-23-2. Legislative findings, etc.

The Legislature hereby finds, determines and declares that victims of violent crime are often reduced to bereft and destitute circumstances as a result of the criminal acts perpetrated against them, that the financial or economic resources of such victims and their dependents are in many instances distressed or depleted as a result of injuries inflicted upon them by violent criminals.

That the general social and economic welfare of such victims and their dependents is and ought to be intimately affected with the public interest, that the deplorable plight of these unfortunate citizens should not go unnoticed by our institutions and agencies of government.

The Legislature hereby further finds, determines and declares that it is to the benefit of all that victims of violence and their dependents be assisted financially and socially whenever possible.

To this end the Legislature intends to provide a means whereby victims of violent crime and their dependents may be provided compensation in the amount of actual expenses incurred as a direct result of criminal acts of other persons.

The provisions of this article are to be construed so as to accomplish this purpose and to promote the same which is hereby declared to be the public policy of this state. (Acts 1984, No. 84-658, p. 1308, § 2.)

(Acts 1984, No. 84-658, p. 1308, § 6.)

(c) The commission shall have the power to subpoena witnesses, compel their attendance, require the production of records and other evidence, administer oaths or affirmations, conduct hearings and receive relevant evidence. (Acts 1984, No. 84-658, p. 1308, § 8.)

The commission shall not require any claimant to seek or accept any collateral source contribution, unless the claimant was receiving or was entitled to receive such benefits prior to the occurrence giving rise to the claim under the provisions of this article; provided, however, no applicant shall be denied compensation solely because such applicant is entitled to income from a collateral source. (Acts 1984, No. 84-658, p. 1308, § 9.)

§ 15-23-10. Compensation for economic loss resulting from criminal conduct—Hearing required generally; procedure in contested cases; settlement by consent order, etc.

§ 15-23-12. When compensation not awarded, diminished etc.; reconsideration of award.

(a) Compensation shall not be awarded in any of the following circumstances:
   (1) A claim has been filed with the commission later than one year after the injury or death upon which the claim is based, unless the commission finds there was good cause for the failure to file within that time.
   (2) To a claimant who was the offender, or an accomplice of the offender or who encouraged or in any way participated in the criminally injurious conduct.
   (3) If the award would unjustly benefit the offender or accomplice of the offender.
   (4) The criminally injurious conduct resulting in injury or death was reported to a law enforcement officer later than 72 hours after its occurrence, unless the commission finds there was good cause for the failure to report within that time.

(b) Compensation otherwise payable to a claimant may be diminished or denied to the extent that the economic loss is recouped from collateral sources; or the extent that the degree of responsibility for the cause of the injury or death is attributable to the victim as determined by the commission.

(c) The commission, upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies, may deny, withdraw, or reduce an award of compensation.

(d) The commission, on its own motion or on request of the claimant, may reconsider a decision granting or denying an award or determining its amount. An order on reconsideration of an award shall not require a refund of amounts previously paid, unless the award was obtained by fraud. The right of reconsideration does not affect the finality of a commission decision for the purpose of judicial review. (Acts 1984, No. 84-658, p. 1308, § 12; Acts 1990, No. 90-470, p. 677, § 3; Acts 1995, No. 95-494, p. 994, § 2; Act 98-492, § 1.)

The 1998 amendment effective May 1, 1998, in subsection (a) inserted “in any of the following circumstances”, in subdivision (1) substituted “A claim” for “Unless the claim” and substituted “based, unless” for “based or”, in subdivisions (1) and (4) substituted “later than” for “within”; in subdivision (4) substituted “The criminally” for “Unless the criminally” and substituted “occurrence, unless the commission” for “occurrence or the commission”; in subsection (b) substituted “(1) That” for “that”, substituted “(2) Of” for “or to the extent that” and inserted “is” following “death”; and made nonsubstantive changes.

Code Commissioner’s Notes.—Act 98-492, which amended this section and was approved by the Governor on May 1, 1998, provided that the act “shall become operative on the first day of the third month following its enactment.”

§ 15-23-13. Award not contingent on prosecution or conviction of offender; effect of proof of conviction; suspension of proceedings under article.

Except as provided elsewhere in this article, an award may be made whether or not any person is prosecuted or convicted. Proof of conviction of a person whose acts give rise to a claim is conclusive evidence that the crime was committed,
unless an application for rehearing, an appeal of the conviction or certiorari is pending, or a rehearing or new trial has been ordered. The commission may suspend the proceedings pending disposition of criminal prosecution that has been commenced or is imminent, but may make a tentative award under this section. (Acts 1984, No. 84-658, p. 1308, § 13.)

§ 15-23-14. Award of compensation subrogates commission to rights of claimant as to collateral source; funds recovered from collateral source held in trust for commission; disposition of trust funds; notice of action to recover damages; restitution hearings.

(a) If compensation is awarded, the commission shall be subrogated to all the rights of a claimant to receive or recover from a collateral source to the extent that compensation was awarded.

(b) In the event the claimant recovers compensation, other than under the provisions of this article, for injuries or death resulting from criminally injurious conduct, the claimant shall retain, as trustee for the commission, so much of the recovered funds as necessary to reimburse the Alabama Crime Victims Compensation Fund to the extent that compensation was awarded to the claimant from that fund. The funds retained in trust shall be promptly paid over to the commission and deposited in the Alabama Crime Victims Compensation Fund. Whenever the commission shall deem it necessary to protect, maintain or enforce the commission’s right to subrogation or to exercise any of its powers or to carry out any of its duties or responsibilities the commission may initiate legal proceedings or intervene in legal proceedings.

(c) If a claimant initiates any legal proceeding to recover restitution or damages related to the criminally injurious conduct upon which compensation is claimed or awarded, the claimant shall give the commission written notice within 15 days of the filing of the action. The commission may intervene in the proceeding as a complainant to recover the compensation awarded. If a claimant fails to give such written notice to the commission within the stated time period, or prior to any attempt by claimant to reach a negotiated settlement of claims for recovery of damages related to the criminally injurious conduct, the commission’s right of subrogation to receive or recover funds from claimant, to the extent that compensation was awarded by the commission, shall not be reduced in any amount or percentage by the costs incurred by claimant attributable to such legal proceedings or settlement; including, but not limited to, attorney’s fees, expert witness fees, investigative costs or cost of court. If such notice is given, attorney fees may be awarded in an amount not to exceed 15 percent of the amount subrogated to the commission.

(d) Whenever compensation is awarded to a claimant who is entitled to restitution from a criminal defendant, the commission may initiate restitution hearings in such criminal proceedings or intervene in the same. The commission shall be entitled to receive restitution in such proceedings to the extent that compensation was awarded. The commission shall be subrogated to all the rights and remedies of such claimant for the collection of restitution to the extent compensation was awarded; provided however, the commission shall be exempt from the payment of any fees or other charges for the recording of restitution orders in the offices of the judges of probate. (Acts 1984, No. 84-658, p. 1308, § 14; Acts 1986, No. 86-510, p. 993, § 4; Acts 1990, No. 90-470, p. 677, § 4.)

§15-23-15. Amount and method of compensation; future economic loss generally; exemption from state and local taxes, etc.

(a) Compensation for work loss, replacement services loss, dependent’s economic loss, and dependent’s replacement service loss may not exceed four hundred dollars ($400) per week.

(b) Compensation payable to a victim and to all other claimants sustaining economic loss because of injury to or death of that victim may not exceed fifteen thousand dollars ($15,000) in the aggregate.

(c) The commission may provide for the payment to a claimant in a lump sum or in installments. At the request of the claimant, the commission may convert future economic loss, other than allowable expense, to a lump sum, but only upon a finding by the commission of either of the following:

(1) That the award in a lump sum will promote the interests of the claimant; or
(2) That the present value of all future economic loss, other than allowable expense, does not exceed five thousand dollars ($5,000.00).

(d) An award payable in installments for future economic loss may be made only for a period as to which the commission can reasonably determine future economic loss. An award payable in installments for future economic loss may be modified by the commission upon its findings that a material and substantial change of circumstances has occurred.

(e) An award shall not be subject to state or municipal taxation or to execution, attachment, or garnishment,

**The 1998 amendment**, effective May 1, 1998, in subsection (a) substituted “four hundred ($400)” for “$200.00”; in subsection (b) substituted “fifteen thousand dollars ($15,000)” for “$10,000.00”; in subsection (c), in subdivision (2) substituted “five thousand dollars ($5,000)” for “$3,000.00”; in subsection (f) inserted “any” following the provisions of this article is unenforceable, except any of the following assignments:

1. An assignment of any award for work loss to assure payment of court-ordered child support.
2. An assignment of any award for an allowable expense to the extent that the benefits are for the cost of products, services, or accommodations necessitated by the injury or death on which the claim is based and are provided to or be provided by the assignee. (Acts 1984, No. 84-658, p. 1308, § 15; Acts 1990, No. 90-470, p. 677, § 5; Act 98-492, § 1.)

§ 15-23-16. Alabama Crime Victim Compensation Fund; created; purposes; composition, administered or managed by commission.

(a) There is hereby established a special fund to be known as the Alabama Crime Victims Compensation Fund.
(b) The fund shall be placed under the management or administration of the Alabama Crime Victims Compensation Commission for purposes of providing compensation or other benefits to crime victims and for purposes of implementing this article.
(c) The fund shall consist of all moneys collected or received by the Alabama Crime Victims Compensation Commission from any source.
(d) The commission shall have control of the funds not inconsistent with this article and with the laws of Alabama.
(e) All moneys of the commission shall be covered into the State Treasury or deposited in a special trust account and may be withdrawn therefrom by vouchers or check signed by the chair of the commission pursuant to authorization given by the commissioner. All investments of moneys in the fund shall be either deposited with the State Treasurer for safekeeping upon receipt of the State Treasurer therefor or deposited with the bank in a custodial account. The commission shall have authority to expend moneys in the fund in accordance with this article and to invest any moneys so received pending other needs therefor in any investments which are legal investments for insurance companies under the laws of the state.
(f) No member of the commission shall have any interest in the investments or receive any commission with respect thereto.
(g) It shall be the duty of the commission to keep detailed permanent records of all expenditures and disbursements from the fund.
(h) The commission is authorized to accept and use funds available to it from all sources, such as grants, appropriations, gifts, donations, and other sources for purposes of implementing this article.
(i) The commission may not award any moneys for the six months immediately following passage of this article.
(j) The commission may not award or promise to award more moneys than are available in the fund.

**The 1995 amendment**, effective July 27, 1995, deleted “the provisions of” preceding “this article” throughout this section; substituted “not inconsistent” for “as shall not be inconsistent” in subsection (d); deleted “any” following “deposited with” in the second sentence of subsection (e); deleted “any” following “in the supporting article” in subsection (f); and made nonsubstantive changes.

§ 15-23-17. Assessment of additional costs and penalties; collection and disposition of additional assessments, etc.

(a) In all criminal and quasi-criminal proceedings for the violation of laws of the state or municipal ordinances which are tried in any court or tribunal in this state, wherein the defendant is adjudged guilty or pleads guilty, or is adjudicated a juvenile delinquent or youthful offender, or wherein a bond is forfeited and the result of the
The Office of Prosecution Services shall create a Victim Services Fund and the assessments received by the person or authority collecting the costs to the chair of the commission on the tenth day of each month next succeeding that in which the cost is paid. It shall be the duty of the clerk or other authority collecting the court costs to keep accurate records of the amounts due the commission for the benefit of the fund under this section.

(b) In addition to the imposition of any other costs, penalties, or fines imposed pursuant to law, any person convicted or pleading guilty to a felony or a misdemeanor or a violation for which the person is adjudicated a juvenile delinquent, or a youthful offender, shall be ordered to pay a victim compensation assessment of not less than fifty dollars ($50), nor more than ten thousand dollars ($10,000), for each felony for which the person convicted or adjudicated and not less than twenty-five dollars ($25.00), nor more than one thousand dollars ($1,000.00), for each misdemeanor or violation for which the person was convicted, adjudicated, or otherwise disposed of when the court orders that costs be paid. In imposing this penalty, the court shall consider factors such as the severity of the crime, the prior criminal record, and the ability of the defendant to pay, as well as the economic impact of the victim compensation assessment on the dependents of the defendant. Any person adjudicated a juvenile delinquent shall be ordered to pay a victim compensation assessment of not less than twenty-five dollars ($25), nor more than one thousand dollars ($1,000), for each adjudication, regardless of the underlying charge, but the assessment or penalty authorized by this subsection shall be assessed or collected for any conservation, forestry, or water safety offense, nor any traffic offense, except those that are punishable as a felony offense or involve the operation or actual physical control of any vehicle while intoxicated or under the influence of drugs, or reckless driving. If a court fails to specifically impose an assessment required by this section, the clerk of court shall automatically assess a victim compensation assessment in the minimum amount provided herein. The additional assessment or penalty shall be collected by the clerk of court insuring that the first twenty-five dollars ($25) of each felony assessment and twelve dollars and fifty cents ($12.50) of each misdemeanor shall be promptly paid over to the commission. The second twenty-five dollars ($25) of each felony assessment and twelve dollars and fifty cents ($12.50) of each misdemeanor assessment shall be promptly paid to the Office of Prosecution Services. Any victim assessment fees ordered above the minimum shall be paid to the commission fund.

(c) The Office of Prosecution Services shall create a Victim Services Fund and the assessments received by the Office of Prosecution Services shall be deposited into the Victim Services Fund. The funds received by the Office of Prosecution Services shall be distributed by the Executive Committee of the Alabama District Attorneys Association to the various district attorneys' offices to employ a minimum of one full-time victim service officer in each circuit and to provide other direct services to victims as needed. (Acts 1984, No. 84-658, p. 1308, § 17; Acts 1986, No. 86-510, § 5; Acts 1990, No. 90-470, p. 677, § 6; Acts 1995, No. 95-494, § 4.)

The 1995 amendment, effective July 27, 1995, in subsection (a), in the first paragraph, inserted “or is adjudicated a juvenile delinquent or youthful offender,” and substituted “but” for “provided, however, that”; in subsection (b), in the first sentence inserted “or a violation for which the person is adjudicated a juvenile delinquent, or youthful offender,” inserted “or adjudicated,” inserted “or violation,” and inserted “adjudicated,” added the present third and fourth sentences, substituted “insuring that” for “imposing the same and” in the present fifth sentence; and made nonsubstantive changes.

The words “severity of the crime” contemplate that some crimes are more reprehensible than others and that they produce greater emotional suffering and societal disdain; therefore, the trial judge was authorized to consider the fact that the crime was “severe” because of its noneconomic impact upon family, friends and society. Ex parte Lewis, 556 So. 2d 370 (Ala. 1989).

List not exhaustive. – Although the legislature specifically listed several factors that a sentencing judge should consider, this list is not exhaustive. Ex parte Lewis, 556 So. 2d 370 (Ala. 1989).

Authorization to impose both fine and assessment. – The trial judge was authorized to impose both a fine and an assessment under that Crime victims Compensation Act and that the total amount of the fine and assessment does not constitute an “excessive fine” since the $10,000 assessment and the $3,000 fine are both authorized, under the provisions of this section and § 13A-5-11, respectively. Ex parte Lewis, 556 So. 2d 370 (Ala. 1989).

Where both the fine and the assessment imposed upon the appellant were within the statutory limits, the total amount imposed did not constitute an “excessive fine.” Garner v. State, 606 So. 2d 177 (Ala. Crim. App. 1992).

The Legislature has the power to authorize both a fine and as assessment under the provisions of the Alabama Crime Victims Compensation Act, and that the amount of this particular assessment is not “excessive.” Ex parte Lewis, 556 So. 2d 370 (Ala. 1989).

Where defendant charged before amendment but sentence after amendment – Where defendant was charged with misdemeanor prior to effective date of the 1990 amendment, but was sentenced after amendment took effect, defendant could not be ordered to pay victim compensation assessment. Taylor v. State, 586 So. 2d 964 (Ala. Crim. App. 1991).

(a) Any person who confers, offers, or agrees to confer anything of value upon a member, agent or employee of the Alabama Crime Victims Compensation Commission with the intent that such member’s or agent’s or employee’s vote, opinion, judgment or exercise of discretion or other action in such member’s or agent’s or employee’s official capacity will thereby be influenced shall be guilty of a Class B felony.

(b) Any member, agent or employee of the Alabama Crime Victims Compensation Commission who shall solicit, accept, or agree to solicit or accept anything of value upon an agreement or understanding that such member’s or agent’s or employee’s vote, opinion, judgment or exercise of discretion or other action as such member, agent, or employee will thereby be influenced shall be guilty of a Class B felony.

(c) It shall not be a defense to a prosecution under this section that the member, agent or employee sought to be influenced was not qualified to act in the desired way because of a lack of jurisdiction or for any other reason. (Acts 1984, No. 84-658, p. 1308, § 18.)

(a) A member, agent or employee of the Alabama Crime Victims Compensation Commission commits the crime of failing to disclose a conflict of interest if such member, agent or employee exercises any discretionary function in connection with a commission contract, purchase, payment or other pecuniary transaction pertaining to the commission without advance public disclosure of a known potential conflicting interest in the transaction.

(b) A “potential conflicting interest” exists, but is not limited to, when the member, agent or employee of the commission is a director, president, general manager or similar executive officer, or owns directly or indirectly a substantial portion of any nongovernmental entity participating in the transaction.

(c) Public disclosure shall mean a public announcement and written notification to the Attorney General.

(d) Failing to disclose a conflict of interest is a Class C felony. (Acts 1984, No. 84-658, p. 1308, § 19.)

(b) Any person who shall knowingly fail or omit to disclose a material fact or circumstance to the Alabama Crime Victims Compensation Commission or to any member, agent or employee thereof which is material to a claim for an award of compensation with the intent to defraud the commission or with the intent to cause a person to obtain or receive an award of compensation to which such person is not entitled shall be guilty of a Class C felony. (Acts 1984, No. 84-658, p. 1308, § 21.)

§ 15-23-22. Penalties—Unauthorized control over money or securities of commission.

262-X-1-.01 General Information and Definitions.

(1) Purpose: It is the intent of the Legislature and the purpose of the Alabama Crime Victims Compensation Commission (ACVCC) to provide financial and other assistance for victims of violent crime for the allowable expenses that are incurred as a direct result of victimization. Applicants must not have contributed to their victimization or have been convicted of felonies or acts of violence against others after making application for compensation. Other eligibility requirements that must be met are listed in the following sections.

(2) Program Description: ACVCC provides financial assistance for allowable expenses to victims of violent crime who have suffered personal injury, psychological injury or death. Compensation may be reduced or denied based on contribution to one’s own victimization as defined in the following sections. The program provides compensation for a number of services, which are listed in the following sections. ACVCC does not award compensation for expenses, which are paid by a collateral source. The program also has a statutory entitlement to subrogation in instances in which a claimant has received recovery from a collateral source after having been paid by ACVCC.

The maximum amount of compensation that may be awarded in any one claim is $15,000. Other limitations for specific categories are addressed in the following chapters.

CHAPTER 262-X-4, CONTRIBUTION TO OFFENSE

262-X-4.03 Contribution To Offense.

Compensation may not be awarded “to a claimant who was the offender, or an accomplice of the offender, or who encouraged or in any way participated in the criminally injurious conduct.” Contribution to the offense will be determined by the actions of the victim at the time of or immediately preceding the crime.

(a) Compensation may be reduced or denied based on the victim’s degree of contribution to the offense. The reduction or denial will be based on the extent of the degree of responsibility for the cause of injury or death attributable to the victim/claimant’s actions and/or involvement in the events that led to the crime. Compensation may be reduced in whole or in part if contributory conduct is determined.

(b) Eligibility for compensation can be affected by a victim/claimant’s involvement in the events that led to the crime. The victim/claimant’s actions do not have to be illegal to be deemed contributory conduct. Such actions must relate significantly to the occurrence that caused the victimization and be such that a reasonable or prudent person would know that the actions could lead to their victimization.

(c) Contributory conduct is a voluntary action by the victim, which directly or indirectly, produced the victim’s injury at the time of the victimization which gives rise to the compensation claim. This action may include, but is not limited to, provocation, drug use, alcohol intoxication, consent or incitement by the victim.

(d) Contributory conduct is a factor when the victim knowingly participated in conduct that:

(1) Caused, resulted in, or reasonably could have led to the specific crime which caused the victimization or
(2) Was itself clearly wrongful or illegal, thereby placing him/herself in a position to be victimized or
(3) Clearly put him/herself into a situation where the crime was a reasonably expected and/or a prudent person would have avoided.

(e) Contributory conduct to the offense may be determined by the victim’s actions or nature of the victim’s involvement in the events leading up to victimization. The following factors may be considered in the determination of contributory conduct:

(1) Alcohol intoxication that resulted in the use of poor judgment by the victim
(2) The presence of illegal drugs in the victim’s body at the time of victimization
(3) If the offender verbally insulted the victim and the victim failed to retreat, a contribution factor may be assessed
(4) If it appears the victim was injured as a result of poor judgment or as a result of his/her conduct being less than that of a prudent person in the same situation, a contribution factor may be assessed
(5) If it appears that the victim first physically assaulted the offender, the victim’s claim for compensation may be denied.
(6) When drugs are found in the possession of the victim at the time of victimization the claim may be ineligible. However, in death cases, if the police investigation reveals that it is more probable than not that the drugs were planted after the victim’s death, a contribution factor may not be assessed.

(f) The Commission may consider all information relevant to the circumstances, including, but not limited to:
(1) Level of responsibility of the victim’s conduct
(2) Foreseeability of the consequences of such conduct
(3) Ability to avoid the situation (Victim’s failure to retreat or withdraw from situation where an option to do so existed.)
(4) Whether there is a direct causal relationship between the victim’s actions and his/her victimization.

(14) Life insurance shall be considered a collateral source for compensation.
(15) The maximum award for moving expenses is $1,000.00. Written estimates for moving expenses and receipts shall be required. The Commission may award the $1000 maximum for moving expenses in cases in which
the crime occurred in the victim’s home or moving the victim’s personal belongings is necessary.

(16) Airline tickets or mileage at the State of Alabama’s current rate for state employees and the current State of Alabama per diem rate. Travel will be allowed for two family members to travel out of town to attend the victim’s trial if not subpoenaed as a witness. Travel required to procure needed services may be considered for the victim, claimant and immediate family members at a prorated amount. Travel may be awarded for emergency circumstances, as determined by the Commission.

Alarm systems, fences and burglar bars, installed after victimization, may be considered for a maximum of $1000 for the victim’s real property.

(19) Lost wages and future economic loss may both be considered, but not to exceed a maximum of $10,400 per claim.

(20) A maximum of $1500.00 for replacement services may be awarded per claim.

(21) Supplemental awards: The expenses submitted in the supplemental claim must be related to the original injury and must be supported by documentation.

(22) Checks issued by the ACVCC may contain the following language: “Cashing this check constitutes payment in full.” This shall not be construed to apply to future compensation benefits for which the victim/claimant may be eligible. It shall be the responsibility of the victim/claimant to assert this defense in any type of collection proceeding against him/her. In the event that the service provider refuses the check, the compensation shall be paid directly to the victim/claimant.

(d) Supplemental therapy bills may be submitted to ACVCC as accrued, for consideration of payment. They will only be considered and paid every three (3) months.
(e) In instances in which counseling services have been provided by mental health centers, ACVCC will only pay what the victim has been charged on a sliding fee scale.

(a) The reasonableness of the charges
(b) The relationship between the therapy and the crime

CHAPTER 262-X-5. COOPERATION WITH LAW ENFORCEMENT

262-X-5-.01 Cooperation With Law Enforcement.
The Commission, upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies or the Commission staff in the processing of a claim, the Commission may deny, withdraw, or reduce an award of compensation. The Commission shall determine the extent of the cooperation by the victim and the following criteria shall be used:

(a) The claimant’s failure to assist and cooperate with the prosecution of the case or to appear as a witness shall constitute noncooperation and the claim shall be denied.

b) In instances in which the claimant initially fails to cooperate with law enforcement but subsequently begins to cooperate, compensation may be reduced or denied to the extent which his/her failure to cooperate hindered the investigation and/or prosecution of the case.

(c) If law enforcement indicates that the claimant was reluctant to give information pertaining to the crime; failed to appear when requested, without good cause, gave false or misleading information, or attempted to avoid law enforcement, the award shall be denied.

(d) A claimant’s failure to cooperate with ACVCC’s processing of the claim shall also be a basis for rendering a claim ineligible.

CHAPTER 262-X-6. COMPENSATION BENEFITING OFFENDER

262-X-6-.01 Compensation Benefiting Offender.
Compensation shall not be awarded if the award would unjustly benefit the offender or accomplice of the offender.

262-X-6-.02 Domestic Abuse.
No claim resulting from an incident of domestic abuse shall be denied based solely upon a finding that a claimant resides or has resided with the alleged offender of the crime for which the claim has been filed. The Commission shall not deny payments to third party vendors based solely upon a finding that the victim and offender are maintaining a relationship.
(a) Procedures. When victims of domestic abuse have submitted claims for lost wages, and where the Commission finds that the victim is living with the offender, or if the Commission is unable to determine whether a claimant is living with the offender of the crime for which the claim is filed, the Commission shall, by mail, request that the claimant clarify whether the offender is residing with the claimant. The Commission shall, as part of this request, collect information, which determines whether there has been, and continues to be criminal justice, mental health, or human service program involvement.

(b) Claim Determination. When an individual who has committed domestic violence is residing with a claimant who has requested lost wages, the Commission shall not deem the claim ineligible based solely on the cohabitation if there is reasonable evidence that the offender has been held accountable through the criminal justice system, human services involvement or intervention; or when there is evidence that the payment of lost wages will sustain the victim’s living expenses. No claim shall be denied solely because it succeeds one previous claim for victimization by the same offender.

(c) The continuance of a relationship between the victim and offender shall not in itself preclude payment.

CHAPTER 262-X-6. RECOVERY FROM COLLATERAL SOURCES

262-X-7-.01 Recovery From Collateral Sources.

(1) If compensation is awarded, the Commission shall be subrogated to all the rights of a claimant to receive or recover from a collateral source to the extent that compensation was awarded.

(2) If the claimant received compensation from a source other than the Commission after the Commission has made an award to the claimant, the claimant will be required by law to reimburse the Alabama Crime Victims Compensation Commission Fund. Failure to do so will result in a Class C felony.

(3) If a claimant files a civil suit to recover damages related to the criminally injurious conduct upon which compensation has been claimed or awarded, the claimant shall give the Commission written notice within 15 days of the filing of the action. The commission may intervene in the proceedings as a complainant to recover the compensation awarded. If the Commission does give notice, attorneys fees may be awarded in an amount not to exceed fifteen percent (15%) of the amount subrogated to the Commission.

(4) If the offender is ordered to pay restitution to the claimant, the claimant must notify the Commission of this action in writing.

(5) In the case where compensation has already been paid to the claimant, the judge may award restitution to be paid directly to the Alabama Crime Victims Compensation Commission Fund.

(6) Whenever compensation is awarded to a claimant who is entitled to restitution from a criminal defendant, the Commission may initiate restitution hearings in such criminal proceedings or intervene in same. The Commission shall be entitled to receive restitution in such proceedings to the extent that compensation was awarded. The Commission shall be subrogated to all the rights and remedies of such claimant for the collection of restitution to the extent compensation was awarded; provided, however, the Commission shall be exempt from the payment of fees or other charges for the recording of restitution orders in the offices of the judges of probate.

(7) The Commission may reduce an award amount based on the amount already received from a collateral source contribution, unless the claimant was receiving or was entitled to receive such benefits prior to the incident for which a claim is filed.

(8) In the event the claimant recovers compensation, other than through the provisions of this chapter, for injuries or death resulting from criminally injurious conduct, the claimant shall retain, as trustee for the Commission, so much of recovered funds as necessary to reimburse the Alabama Crime Victims Compensation Commission Fund to the extent that compensation was awarded to the claimant from that fund.
262-X-8-.01 Penalties For Filing False Claims.

1. Any person who shall knowingly furnish any false information to the Alabama Crime Victims Compensation Commission or to any member, agent or employee thereof with the intent to defraud said Commission, or with the intent to obtain an award of compensation for a person not entitled to receive same, shall be guilty of a Class C felony.

2. Any person who shall knowingly fail or omit to disclose a material fact or circumstance to the Alabama Crime Victims Compensation Commission or to any member, agent or employee thereof which is material to a claim for an award of compensation with the intent to defraud the Commission or with the intent to cause a person to receive an award of compensation to which such person is not entitled shall be guilty of a Class C felony.

262-X-9-.01 Appeals Procedure.

5. The Commission may, without a hearing, settle a claim by stipulation, agreed settlement, consent order or default.

Witnesses may also be subpoenaed when a timely request to do so is submitted by the victim/claimant.

8. A certified court reporter shall be used to transcribe each appeal hearing. A record of the proceedings shall be made and shall be transcribed upon request of any party, who shall pay transcription costs unless otherwise ordered by the Commission.

9. The victim or claimant forfeits his/her rights to an appeal if said victim requests a hearing and fails to appear without good cause.
